

Siegfried as winner of Bloomberg Businessweek Hedge Fund Award 2022

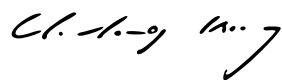

1st March, 2023

28th February 2023 is another day of milestones of ours that we received **Best Performer** award as **Best Emerging Hedge Fund** from Bloomberg Businessweek in Conrad Hong Kong where the ceremony took place. It is indeed very encouraging because Bloomberg independently screened us out from its huge database and completed their analysis before notifying us.

It is a checkpoint for us to look back on what we have strived and achieved. It is also a starting point for us to look forward.

Thank you all my dear friends for your continuous support and believing in us. We shall continue to do our very best to keep up the good work.

There will be more publications from Bloomberg and Bloomberg Businessweek. I will share with you in due course.
